

Federation for Jewish Philanthropy
OF UPPER FAIRFIELD COUNTY

Position Available

(as of October 3, 2018)

Outgoing? Self-directed? Disciplined? Looking to make a little extra money periodically during the year?

Federation for Jewish Philanthropy of Upper Fairfield County is seeking a part-time commission-only salesperson to sell advertising for our successful KALEIDOSCOPE magazine. Our magazine already has a solid base of advertisers, and we have developed a nice leads list, but we're looking for someone who can take on the role with enthusiasm, reach out to potential and existing advertisers, and help us grow our valued publication. This salesperson will become part of our wonderful Federation staff team.

Interested? Email a statement of your interest and resume to:
